

IVAN Air Monitoring

LAUNCH

FRIDAY, SEPTEMBER 30TH, 2016 // 8:30 - 10:00 AM

HEBER ELEMENTARY SCHOOL • 1052 HEBER AVE, HEBER, CA 92249

Comite Civico del Valle in collaboration with the Public Health Institute's California Environmental Health Tracking Program and University of Washington, are launching the IVAN Air Monitoring online platform.

This project has the purpose of providing the power of data and technology directly to the hands of residents to take action and protect their health.

Visit www.ivan-imperial.org/air to access to live air quality data.
